

Match the produce image with its name. Have fun!!

The image shows a matching exercise. On the left side, there are four illustrations of produce: a green papaya, a sliced papaya showing its seeds, a red tomato, and a yellow pawpaw with two dark seeds. On the right side, there are four labels: 'cashew', 'beans', 'pawpaw', and 'tomato'. A complex maze of lines connects each illustration to a label. The connections are: the green papaya to 'cashew', the sliced papaya to 'beans', the red tomato to 'pawpaw', and the yellow pawpaw to 'tomato'. The label 'tomato' is at the bottom right, and 'cashew' is at the top right.
